Doug –

Chris and I have a VTC with Susan Bodine at the same time as today's 12:30 pre-brief for your meeting with Mandy Gunesakara. Mandy would like to discuss oil and gas enforcement with you and you have been briefed on our O&G tanks cases. I have submitted to Diane and am attaching to this email a list of our current Clean Air Act enforcement cases. If you would like any additional information or have questions, Chris and I can discuss these with you after our 3:15 briefing with you on the Phillips 66 case.

Thanks,
Suzanne
